JIGGER SHOP, INC. HIRING PROCEDURE

The Jigger Shop, Inc. is continually soliciting job applicants and receiving applications. A few things that are taken into consideration for employment are age, experience, summer schedule, transportation, references, and application date. Applicants that are not hired will be kept on file until Labor Day.

Special note about age of employees:

The Jigger Shop, Inc. is open until 10:00 PM. It is usually close to midnight before we leave. Normally, we run two shifts during the week and additional shifts on the weekends. The normal weekday shifts are from 11:00/11:30AM to 6:00PM and from 6:00/7:00PM to 12:00AM. State law will not allow any person under the age of 16 to work later than 10:00PM during summer vacation. Therefore, employees under 16 must work the early shift. If my early shifts are full of under 16 employees, we are not able to rotate our over 16 employees and they would always have to work night shift. This also creates a scheduling replacement problem. The end product of this is that we try to hire as few employees as possible under the age of 16. However, please do not be discouraged from applying. We usually hire a few people in this category. We know all of this seems complicated, but all we can say is "Welcome to the world of work!"
